

**G703 Continuation Sheet Minimum Schedule of Values**

*Please use the breakdown listed below when submitting your billing for the project*

**Sitework / Paving**

- General Conditions
- Excavation and Grading Labor
- Excavation and Grading Material
- Retaining Wall Demolition
- Asphalt Paving Material
- Asphalt Paving Labor
- Final Inspections & Close-out Documents

**Concrete**

- General Conditions
- Footing/foundation Labor
- Footing/foundation Material
- Site Concrete Labor
- Site Concrete Material
- Slab on Grade Labor
- Slab on Grade Material
- Final Inspections & Close-out Documents

**Fencing**

- General Conditions
- Fencing Labor
- Fencing Material
- Gate Labor
- Gate Material
- Final Inspections & Close-out Documents

**Landscaping**

- General Conditions
- Seed / Sod Labor
- Seed / Sod Material
- Exterior Plants Labor
- Exterior Plants Material
- Irrigation Design
- Irrigation Labor
- Irrigation Material
- Final Inspections & Close-out Documents

**Masonry**

- General Conditions
- Masonry Labor
- Masonry Material
- Final Inspections & Close-out Documents

### **General Trades**

- General Conditions
- Rough Carpentry Labor
- Rough Carpentry Material
- Finish Carpentry Labor
- Finish Carpentry Material
- Cabinet / counter Labor
- Cabinet / counter Material
- Door, Frames, Hardware Labor
- Doors, Frames, Hardware Material
- Restroom partitions, hardware Labor
- Restroom partitions, hardware Material
- Miscellaneous Labor
- Miscellaneous Material
- Final Inspections & Close-out Documents

### **Roofing**

- General Conditions
- Asphalt Shingle/Tile Labor
- Asphalt Shingle/Tile Material
- Membrane Roofing Labor
- Membrane Roofing Material
- Flashing, Trim, Accessories Labor
- Flashings, Trim, Accessories Material
- Final Inspections & Close-out Documents

### **Caulking**

- General Conditions
- Caulking Labor
- Caulking Material
- Final Inspections & Close-out Documents

### **Keying**

- General Conditions
- Hardware Labor
- Hardware Material
- Final Inspections & Close-out Documents

### **Glass and Glazing**

- General Conditions
- Metal Framing Labor
- Metal Framing Material
- Glazing Labor
- Glazing Material
- Final Inspections & Close-out Documents

### **Gypsum Board Assemblies**

- General Conditions
- Metal Stud Material
- Metal Stud Labor
- Drywall Material
- Drywall Labor
- Final Inspections & Close-out Documents

**Building Insulation**

- General Conditions
- Batt Insulation Labor
- Batt Insulation Material
- Final Inspections & Close-out Documents

**Suspended Acoustical Ceilings**

- General Conditions
- Ceiling Material
- Ceiling Labor
- Final Inspections & Close-out Documents

**Floor Covering**

- General Conditions
- Ceramic Labor
- Ceramic Material
- VCT Labor
- VCT Material
- Carpet Labor
- Carpet Material
- Final Inspections & Close-out Documents

**Painting**

- General Conditions
- Paint Labor
- Paint Material
- Final Inspections & Close-out Documents

**Lockers**

- General Conditions
- Locker Labor
- Locker Material
- Final Inspections & Close-out Documents

**Playground Equipment**

- General Conditions
- Equipment Labor
- Equipment Material
- Final Inspections & Close-out Documents

**Gymnasium Equipment**

- General Conditions
- Equipment Labor
- Equipment Material
- Final Inspections & Close-out Documents

**Tilt Up Panel/Cast-in-place Concrete**

- General Conditions
- Concrete Material
- Concrete Labor
- Rebar Material
- Rebar Labor
- Insulation Material
- Insulation Labor
- Bracing Rental

**Building Shell**

- General Conditions
- Steel Joists Labor
- Steel Joists Material
- Structural Steel Labor
- Structural Steel Material
- Decking Labor
- Decking Material
- Misc. Steel Labor
- Misc. Steel Material
- Final Inspections & Close-out Documents
- Retaining Wall Steel Support Material
- Retaining Wall Steel Support Labor

**Fire Protection**

- General Conditions
- Fire Protection Labor
- Fire Protection Materials
- Final Inspections & Close-out Documents

**Plumbing**

- General Conditions
- Piping Labor
- Piping Materials
- Fixtures Labor
- Fixtures Material
- Storm Sewer Labor
- Storm Sewer Material
- Final Inspections & Close-out Documents

**Casework**

- General Conditions
- Cabinet & Millwork Labor
- Cabinet & Millwork Material
- Final Inspections & Close-out Documents

### **HVAC**

- General Conditions
- Equipment Labor
- Equipment Material
- Ductwork Labor
- Ductwork Material
- Thermostat / Controls Labor
- Thermostat / Controls Material
- Testing, Adjusting, Balancing Labor
- Testing, Adjusting, Balancing Material
- Final Inspections & Close-out Documents

### **Electrical**

- General Conditions
- Fire Alarm Labor
- Fire Alarm Materials
- Wiring / Cabling / Conduit/ Boxes Labor
- Wiring / Cabling/ Conduit/ Boxes Material
- Devices Labor
- Devices Material
- Utility, Transformers, Gear Labor
- Utility, Transformers, Gear Material
- Interior Luminaires Labor
- Interior Luminaires Material
- Exterior Luminaires Labor
- Exterior Luminaires Material
- School Equipment / Furnishing Hook-ups labor
- School Equipment / Furnishing Hook-ups labor
- Final Inspections & Close-out Documents

### **Site Utilities**

- U.G. Site Domestic Water Labor
- U.G. Site Domestic Water Material
- U.G. Site Sanitary Labor
- U.G. Site Sanitary Material
- U.G. Site Storm Labor
- U.G. Site Storm Material
- U.G. Site Fire Water Labor
- U.G. Site Fire Water Material
- Site Electrical (overhead/U.G.) Labor
- Site Electrical (overhead/U.G.) Material
- Final Inspections & Close-Out Documents
